

Motorized Transportation Policy for Competitions

Automotive carts are permitted in all events except the Junior Bantam Championship, Junior Interclub Championship and the Junior Provincial Championship.

Use of Motorized Transportation by a Competitor or Caddie is subject to the following conditions:

When using motorized transportation, the player or caddie must not:

1. Permit anyone else to drive the cart (other than moving it a very short distance to facilitate play)
2. Permit anyone else to ride in the cart
3. Are not permitted to travel with their motorized cart beyond the point on the course where their ball lies to gauge yardage or to seek the position of the hole.

Use of Motorized Transportation

1. Golf Manitoba has the right to limit motorized carts to 2 carts per pairing if they deem necessary
2. If a cart is shared by two players, the cart and everything in it are deemed to be the equipment of the player whose ball is involved except that, when the cart is being moved by one of the players sharing it, the cart and everything in it are deemed to be that player's equipment.

A player in breach of any of the above conditions is subject to penalty as follows:

Match play - At the conclusion of the hole at which the breach is discovered, the state of the match is adjusted by deducting one hole for each hole at which a breach occurred; maximum deduction per round - two holes.

Stroke play - Two strokes for each hole at which any breach occurred; maximum penalty per round - Four strokes.

Match or stroke play - In the event of a breach between the play of two holes, the penalty applies to the next hole.

To increase the chance of availability, competitors are encouraged to make their own arrangements with the Host Club for pull carts or automotive carts PRIOR to the start of the event.

CARTS ARE NOT GUARANTEED TO BE AVAILABLE.
