## REPORT OF THE PRESIDENT

Wayne McWhirter

---

On behalf of the Board of Directors and our team at Golf Manitoba, I am pleased to present this report as part of Golf Manitoba's Annual Report for 2022.

Well, it is nice to see that 2020 and 2021, the lost Covid summers are hopefully behind us now and we can resume normal golfing activities. Although golf was one of the few activities that we could do safely the last 2 years, it is nice to be playing under normal conditions. The pandemic was difficult for everyone but to all our surprise, golf flourished and we saw record numbers of rounds and golfers. This started in 2020 and has continued into 2022. Golf courses throughout Manitoba and Northwest Ontario saw record numbers of rounds this year. Clubs were once again able to host charity golf tournaments, weddings, and other functions that helped their bottom line.

Our 2022 tournament season was a success this year with an increase in participation after a few years of declining registrations. These events took place around the province thanks to the generosity of our member clubs in allowing us to utilize their great facilities. In addition, it was one of the few years where no tournament days were lost to rain!

We are thankful to have our team at Golf Manitoba, including our Executive Director Jared Ladobruk and his exceptional team of Lisa Andersen, Amy

Coggan, Brian Munz, Seth McMahon and Devin Proutt. The Provincial championships we organize and host serve as one of the core functions of Golf Manitoba. I would like to thank all golfers who participate in these championship events.

Thank you to our corporate sponsors who graciously continue to support our sport.

*A huge thank you to our volunteers! They are the backbone of Golf Manitoba. These individuals work tirelessly for the Association, giving back to the game. Our referees, course raters, on course volunteers and tournament support teams provide our staff the assistance required to deliver great service.*

A great thank you to Ken Warwick, our outgoing president, for his leadership during the last 2 pandemic years.

Best wishes to our member clubs, golfers, team members and volunteers for 2023.

Respectfully submitted,

**WAYNE MCWHIRTER**

President

## REPORT OF THE EXECUTIVE DIRECTOR

Jared Ladobruk

---

It is my sincere pleasure to introduce the 2022 Golf Manitoba Annual Report. It was another exciting year of amateur golf in our region, and I am delighted to share our stories and success of the past season.

Reflecting on 2022, it is evident that our sport continues to experience high levels of participation both recreationally and competitively.

*We experienced membership growth for a third consecutive year, score posting again surpassed pre-pandemic levels, we saw elevated participation in our championships, we competed in the Canada Summer Games, and our Golf in Schools program resumed after a two-year absence where we connected with over 6,500 students introducing them to the sport of golf.*

It was indeed a very busy and full year of amateur golf here in Manitoba and Northwest Ontario.

The successes that you will read about in this report could not have happen without the support of so many. We were fortunate to have tremendous support from our members and our member clubs. Our volunteers gave so graciously and generously of both their time and their expertise. Our industry, corporate, foundation, and sport partnerships were instrumental to our association allowing us to deliver an accessible, elevated, and enhanced golf experience to all our stakeholders. And a big thank you to the collective media who helped to tell the important stories of golf in our region. Our association is so very fortunate to have the support of so many.

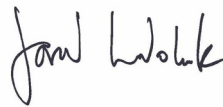

The past year was also a year of firsts for Golf Manitoba. On June 25 & 26, Golf Manitoba hosted the Manitoba All Abilities Championship at La Broquerie Golf Course, a first for our association. This event was an important step in helping to create a more inclusive, diverse, and inviting golf community in our province and I want to thank the competitors, host club, and our volunteers and staff for helping to make this event a reality. Congratulations to Kristian Hammerback for making history as our first All Abilities Champion!

2022 was also a year for milestones. Golf Manitoba celebrated the 100th playing of the Manitoba Junior Boys Championship at the St. Charles Country Club. This event has an incredible and rich history in our province and we were treated to a record setting performance by champion Braxton Kuntz. Braxton capped off three exceptional days of play with a final round 64, a course record on the Woods-Ross Course at St. Charles. It was a memorable and fitting conclusion for this milestone event. Congratulations, Braxton!

As we look to build on the recent growth of the sport, Golf Manitoba is committed to creating a safe, diverse, and welcoming environment within our organization and across our sport community. All golf enthusiasts deserve to participate and compete in an environment free from bullying, abuse, harassment or discrimination, regardless of gender identity or expression, race, religion, language, age and ability. As such, we have aligned with Golf Canada, Sport Manitoba and the Respect Group to ensure that our stakeholders have access to tools and resources that foster a safe and welcoming golf experience.

As we reflect on the past season, I want to applaud the efforts of the owners, operators, PGA of Canada professionals, club managers, course superintendents, and volunteers for all that they do to provide such an incredible golf experience in our region. And as we look ahead to a strong 2023, I wish our entire golf community the best of health and success.

Respectfully submitted,

**JARED LADOBRUK**  
Executive Director

## HANDICAP & COURSE RATING

Wayne McWhirter

The Course Rating Team rated 12 courses this year and completed a total of 65 tees rated, 40 men's tees and 25 women's tees.

To maintain valid course and slope ratings, golf courses are required to be re-rated at least every 10 years or when significant changes are made.

Courses rated this year included Oakview Golf & Country Club Inc. in Gretna, Deloraine Golf Club, MacGregor Town & Country Club, Carman Golf & Curling Club, Whispering Winds of Warren Golf Club, Netley Creek Golf Course, Minnedosa Golf & Country Club, Rossmere Country Club in Winnipeg, Wheat City Golf Course in Brandon, Kitchen Creek Golf Club in Fort Frances, ON, Niakwa Country Club in Winnipeg and Rivers Edge Golf Course in Beausejour, MB.

We had our experienced raters participate in a Golf Saskatchewan two-day virtual training session and also presented a Golf Canada live training session to new raters this year.

The World Handicap System was implemented in 2020 and Golf Manitoba held a number of virtual seminars around the province on the new system. We encourage all clubs to participate as the license agreement with the USGA requires that each club have at least one representative be certified. These representatives will then be a resource for inquiries at the club level. If your club has not certified an individual, please do so, and if you have already sent someone, we would encourage you to send others to be educated on the details of the handicap system. We would also encourage clubs to organize seminars specifically for your members and Golf Manitoba will come to your club to assist.

Thank you to all our rating volunteers for their efforts throughout the year. We are looking forward to another busy summer next year for all our rating teams, and will continue to provide our member golfers with educational seminars on the parameters of the handicap system.

We recruited 2 new raters at the end of this rating year and look forward to their participation in 2023. We continue to search for more people that would be interested in joining our rating team.

Chair, Handicap & Course Rating Committee

In 2022, the effects of the Covid pandemic continued to linger. Continued masking and a reluctance by some to gather in a group are examples. Having said that, golf continued as a safe and expanding activity.

Total individual membership increased by 4.4% across our 84 facilities or leagues with all of the growth in the adult category. Our junior and public player membership categories little change over 2021.

Three new clubs joined Golf Manitoba in 2022: Poplar Ridge Golf Course, Southport Golf Club and Virden Wellview Golf Course. We want to thank them for joining us and extend a warm welcome to our golf family!

For the year we had 84 member clubs and leagues (see page 28 for the 2022 directory of our member clubs and leagues). It has been a challenging golf season and we sincerely thank our member clubs for their continued support.

From a golf services perspective, 2022 has been quite positive. As of September 30, Golf Canada reported 8.4 million rounds posted to the Score Centre and is on target for 9 million rounds. This is just short of the all-time record of 9.265 million posted in 2021. Here in Manitoba, that trend continued with 220k thousand rounds posted by mid-October against the 260k posted for all of 2021. The primary reason for this forty-thousand round decrease is weather related and due to the late start of the 2022 season where we lost 30k rounds in April and May alone. Score posting is still much higher over the past three years averaging 234k rounds per year in since 2020. Members are continuing to use the Golf Canada App with over 100k rounds posted in 2022 representing over 45% of all scores posted in Manitoba.

The incident protection program also yielded a record 30 claims in Manitoba paying back \$23,343 to members for equipment protection, window protection and accident protection.

We were also pleased to issue 78 Hole-in-One certificates to those members who made their "Shot of a Lifetime" this season. Congratulations on this exciting golfing accomplishment!

As we move into 2023, efforts will remain focused on educating our member clubs about the benefits of membership. Additionally, we will focus our member education on the Rules of Golf and the World Handicap System that came on-line in January of 2020.

If you are wanting to learn more about the World Handicap System, learning resources are available on our website at [golfmb.ca/handicapping](http://golfmb.ca/handicapping).

As the season comes to a close here in Manitoba and for most of Canada, a reminder that member benefits extend for 365 days from enrollment and include the following:

- An Official Golf Canada Handicap Index under the World Handicap System
- Up to \$6,000 in Incident Protection Coverage
- Member exclusive offers and discounts through Avis, Hilton, Manitoba Blue Cross, Nott Autocorp, Sport Manitoba, Level Wear as well as with Golf Canada gear and event tickets
- Membership dues are reinvested into Grow the Game programs

To learn more about the benefits of membership, please visit [golfmb.ca/member-benefits](http://golfmb.ca/member-benefits) or view the “member benefits” tab in your Golf Canada Score Centre account.

With the covid restrictions muted, the golf season was extremely vibrant. Our referees responded in a fantastic fashion and filled all the required slots for every event. Between May 28th and August 26th, our group of referees worked 16 different championships which works out to 10 different Manitoba events as some have been combined to make the process more efficient. Unique events such as the All-Abilities Championship combined with the Women's City & District Championship and the Junior Bantam Championship made for a wide variety of abilities and rules. The revamped Senior Men's event was of particular interest. It is now a Four Ball event and was held at Oak Island near Virden. This course is a real gem. At least 2 golfers from different clubs expressed to me a desire to bring groups from their clubs to play later in the year. This is the kind of thing that membership in Golf Manitoba does for a rural club.

While we still rely heavily on our more experienced group, it is heartening to see our ranks being supplemented by young, enthusiastic people. We presently have 23 referees that are rated level 2 or 3. Of these 11 are recent recruits who are working regularly at our tournaments. We have 11 level 3 officials and 4 have just finished or are finishing the required hours of apprenticeship. I think in the next few years the focus of our committee should be to add more females as they make up only 6 of our 23 referees.

This year our committee consisted of Rob Bell, D'Arcy Lachance, Gord Hudson, Don MacDonald, Carol Martel, and me. They all put in many hours during the year and should be commended for their dedication. Don MacDonald, the Manitoba representative on the Canadian rules committee, was the head official in the two Golf Canada events held in our province this year. The Canadian Women's Mid-Amateur & Senior Championship held at Breeze Bend and the NextGen Prairie Championship, were marquee events for our referees. The host clubs did a bang-up job and at Breeze Bend the number of volunteers was enormous. Our refereeing group handled both these events with their usual high level of Professionalism.

An unusual aside is the people administrating events for Golf Canada has changed this year and there were some minor difficulties that illustrated how well our tournament staff do their jobs. A special thanks to Seth, Danial, Amy, and their intrepid leader Lisa who provided their usual fabulous assistance with the tournaments. It is such a treat to arrive at a venue knowing that all one must do is referee as everything else has or will be handled in a professional manner.

### Golf in Schools

This year saw the Golf In Schools program make a return after a 2 year absence due to Covid restrictions. An upgrade in equipment made it possible for Golf In Schools to be offered to older students at the secondary level. A total of 38 clinics were conducted in the spring and fall, 12 rural schools and 26 schools within the perimeter. Throughout the 38 clinics a total of 6,862 students participated (3,447 males and 3,415 females).

### Junior Mobile Clinics

Both juniors and adults were able to participate in our Mobile Clinics this year. 15 Mobile Clinics were conducted in rural locations across Manitoba, everywhere from Oak Island to Rivers Edge Golf Course in Beausejour. Throughout the 15 clinics we saw 480 participants (178 Female, 288 Male and 14 Adults).

### Junior Skills Challenge

The 2022 Provincial Championship was held on July 17th at the Southwood Golf and Country Club where 32 young golfers ranging in ages from 5-18 registered and participated in both Female and Male categories of under 8,9-11,12-14, and 15-18. Many of these young golfers were competing for the very first time.

### Junior Player Development Teams

Junior Girls: This year's team consisted of 15 young athletes, 6 from rural Manitoba and 9 from greater Winnipeg ranging in ages from 11-18 years and under the coaching of Head Coach Bri-ann Tokariwski. Some of the hi-lights of their season were:

- Bi/weekly, team practices and workouts at Sport Manitoba
- Monthly sessions with team Manitoba Sport psychologist, Paige Zaporzan
- Four team members plus the coach attended the Golf Canada training facility at Bear Mountain, Victoria BC, in late March.
- Participated in the Women's Nassau League finishing 4th.
- The team members competed in many provincial and club events.

Notable results are as follows:

- Team Member Jeri Lafleche won the Diamond Athletic Women's Amateur Championship
- Team Member Cala Korman won the Manitoba Women's City and District Championship
- Team Member Addison Kartusch won the Manitoba Junior Girls Tournament and was invited to the Team Canada National Selections Camp.
- 7 Team Members participated in the Junior National

Championship at The Marshes Golf Club in Ottawa.

- Addison Kartusch (9th place) and Cala Korman (13th) represented Manitoba in the Canada Games Aug 14-22 at Legends on the Niagara.

Junior Boys: This year's team consisted of 22 athletes under the coaching of Head Coach Derrik Goodwin. The athletes were divided by age into two groups, Gold and Black. Some of the hi-lights of their season were:

- Bi/weekly, Golf Dome practices
- Bi/weekly, golf lessons and fitness sessions at Sport Manitoba
- Monthly sessions with team Manitoba Sport psychologist, Paige Zaporzan
- Six team members plus the coach attended the Golf Canada training facility at Bear Mountain, Victoria BC, from March 27-31
- Two separate teams participated in the Mundie Putter League B Division. Unfortunately, participation was irregular on a weekly basis with games being forfeited from players not showing. Both teams missed playoffs.
- The team members competed in many provincial and club events

Notable results are as follows:

- Team Member Ryan Blair qualified for US Junior Amateur.
- For the 100th Manitoba Junior Championship, Team Member Grady Chuback came in 2nd and Ryan Blair came in 3rd, with other Team members placing 4th, 5th, 7th, and 9th
- Grady Chuback (15th) and Erik Prokopowich (11th) represented Manitoba in the Canada Games Aug 14-22 at Legends on the Niagara
- Grady Chuback is selected for National Selection Camp and finishes tied for 9th

I would like to thank General Manager Dave McMillian and the members of the Elmhurst Golf & Country Club and General Manager James Chapman and the members of Glendale Golf & Country for hosting our junior boys and girls practices all season long. Your support of our Team Manitoba program is so very much appreciated!

Once again, our special thanks go to the Alex and Peggy Colonello Foundation for their generous and continued support of our Player Development Program and for helping to make this program accessible for our aspiring junior golfers and their families.

Fred Smith,  
Chair, Player Development Committee

### Junior Skills Challenge

Golf Manitoba conducted its second annual provincial Junior Skills Challenge qualifier on July 17 at the Southwood Golf & Country Club. Thirty-two junior boys and girls participated in the one day event which focuses on developing the key golf skills of putting, chipping and driving.

### Golf in Schools

Our Golf in Schools program made a strong return in 2022 after a two-year absence due to COVID-19. Thirty-eight schools across Manitoba were visited in the spring and fall introducing 6,900 students to the sport of golf. Depending on weather and the school facilities, programming was offered both indoors and outdoors

## SPONSORSHIP & MARKETING

Bob Peters

On behalf of its Members in Manitoba and Northwest Ontario, Golf Manitoba thanks all of its partners and sponsors for helping make 2022 another record year in terms of membership and participation. The valuable physical health and mental health attributes of golf that were brought to the forefront during the pandemic continued to be embraced by our Members in 2022 as public health restrictions eased. During this past year, Golf Manitoba was able to safely expand its services and competitions for its Members. Through the generosity of our sponsors and partners, Golf Manitoba's services and competitions were enhanced and enriched for the benefit of all participants. It is with sincere and humble gratitude that Golf Manitoba thanks its sponsors and urges all golfers and their families to support our sponsors (listed alphabetically below) through your continued patronage:

adidas Canada continued as Golf Manitoba's official performance apparel partner. adidas sportswear, featuring the latest in performance apparel technology, was proudly worn by all players and officials representing Golf Manitoba at national competitions, both female and male junior development teams, as well as all volunteers and staff. Special thanks to Territory and Sales Marketing Manager, Ms. Paige Lawrence.

The Alex and Peggy Colonello Foundation continued with its unprecedented support in all of Canada of Golf Manitoba's grassroots and high-performance junior girl's and junior boy's programs. Additionally, the Alex and Peggy Colonello Foundation continued its support of the University of Manitoba golf program as well as the induction ceremony conducted by the Manitoba Golf Hall of Fame and Museum. Special thanks to Foundation President Marg Homenuik.

Diamond Athletic Medical Supplies continued its sponsorship of both the Women's Amateur and Men's Mid-Amateur Championships. Diamond Athletics is one of the most respected sports medicine healthcare and rehabilitation companies in all of Canada and is based in Winnipeg since 1946. Special thanks to Gerald Diamond.

Hodson Financial Inc. entrenched its sponsorship of both the Women's and Men's Senior Championships. Hodson Financial provides long-term insurance and financial services (including RRSP and TFSA products) to families and businesses and their employees. Special thanks to Gerry Hodson and Bob MacGregor.

Manitoba Blue Cross became Golf Manitoba's Official Health and Wellness Partner this year. While known throughout Manitoba for its

health, dental, employee assistance, life, disability, wellness, and travel coverages that fill the gap between government health plans and what Manitobans want and need, Manitoba Blue Cross also provides monthly physical and mental health tips and strategies that support a golfer's game and overall well-being. For the traveling Golf Manitoba Member and their family, Manitoba Blue Cross discounts the travel health coverage premiums. Manitoba Blue Cross also provided 'athlete fuel' (hydration and nutrition products) to all the competitors. Special thanks to President and CEO, Ben Graham.

NOTT Autocorp's long-term commitment to amateur golf in Manitoba and Northwest Ontario through its vehicle donations is an example of its community and charitable support that has been invaluable in allowing Golf Manitoba to provide and enhance our exposure in the golf community. Special thanks to Trevor Nott.

St. Vital Dental Centre is the new title sponsor of the Golf Manitoba Match Play Championship. St. Vital Dental Centre has been providing high-quality patient-centered dentistry in the Old St. Vital area of Winnipeg since 1963. Dr. Terry James together with a dedicated team of dental hygienists, front-desk staff, and dental associates work together to provide patients with all dental services utilizing the most current technology. Special thanks to Dr. Terry James.

TaylorMade Golf Canada continued as the official performance equipment partner for Golf Manitoba. Special thanks to Territory Sales and Marketing Manager, Mr. Eric Johnson. ;

The Golf Dome continues to support Golf Manitoba's off-season training and player development in a spacious and enjoyable environment that is not weather dependent. Special thanks to Janet Robertson for her continued support;

The Healthy Nut, a Manitoba-based family business that truly understands the value of nutrition continued as Golf Manitoba's Official Energy Bar Provider. Its homemade energy bars, trail mix, smoothies, and other healthy treats are now also available at its new brick-and-mortar store located at 624 Leila Ave. Special thanks to Owner Michelle Gospic.

Last and certainly not least, we wish to acknowledge the tremendous support we receive from Golf Canada and Sport Manitoba, funding and programming partners of Golf Manitoba.

Your referrals of potential sponsors to Jared Ladobruk, Golf Manitoba's Executive Director, are always welcome.

Should you and your family want to give back to the sport of golf or to honour a family member you are invited to make a tax receiptable charitable donation to Golf Manitoba through the link on our website.

## TOURNAMENT

---

Ken Warwick

We held 16 events and one qualifier in 2022. A new and exciting addition to our event calendar was the All Abilities Championship, a first for our association. We also saw the return of inter-provincial team competition at all Golf Canada national championships after a two-year absence due to COVID-19.

All events were held without any weather disruptions or delays. We had a total 1,695 competitive rounds played and 864 participants in 2022 against 1,767 rounds and 875 participants in 2021. 2022 tournament revenues are projected to exceed budget slightly at just over \$147K against expenses of \$148K.

Some notable season highlights:

- The 100th Junior Boys Championship was played at the St. Charles Country Club in July with Braxton Kuntz winning for a second straight year. He also set a course record of 8-under par 64 in the final round on the West-South Course.
- Braxton Kuntz also won the 2022 Nott Autocorp Men's Amateur Championship again for a second straight year. With the win, Braxton became the first male golfer in Manitoba golf history to win both the junior and the amateur in consecutive years.
- We welcomed St. Vital Dental Centre as the title sponsor of the Match Play Championship.
- Manitoba Blue Cross joined Golf Manitoba as the official Health & Wellness Partner of the association providing our athletes with water, energy drinks and bars at all championships.
- There were 19 top-25 finishes in national championships by Manitoba golfers including one national championship win (Curtis Markusson of St. Charles Country Club won the Canadian Mid-Masters).
- We had 66 volunteers supporting our championships in 2022 adding up to 166 days and 1,200 hours of input.
- Breezy Bend Country Club hosted the 2022 Canadian Women's Mid-Amateur & Senior Championship in late August.

Of considerable note was subsidizing junior event entry fees by 50% in 2022. A total of \$15,000 was also made available to juniors who qualified for national level competition to assist with travel costs. Both of these supports were again made possible by the generous commitment of the Alex & Peggy Colonello Foundation that continues to work with Golf Manitoba to support the development of junior golf in the province.

I wish to sincerely thank all our host clubs and their members for providing us with outstanding venues for our 2022 championships:

- Carman G & CC / Quarry Oaks GC – Match Play Championship

- Elmhurst Golf & Country Club – Men's Amateur
- Granite Hills Golf Club – Men's Mid-Amateur & Women's Amateur
- La Broquerie Golf - Junior Bantam / Women's City & District / All Abilities Championships
- Larters at St. Andrews G & CC – Men's & Women's Senior
- Oak Island Golf Resort – Men's Senior Four Ball
- St. Boniface Golf Club - Women's A & B Interclub
- St. Charles Country Club - Junior Boys & Girls Championship
- Southwood G & CC - Men's Four Ball and Junior Skills Challenge

Thank you for a great season, we couldn't have done it without you!

I want to sincerely thank all those who played in our events this year and also a special congratulations to this year's champions and provincial team members! We had some great individual and team finishes at nationals this year and I want to commend the fine play of our Manitoba golfers! For our 2022 provincial and national competitive results, please refer to page 30.

I would like to thank our staff of Jared Ladobruk, Lisa Andersen, Amy Coggan, Brian Munz, Seth McMahon and Devin Proutt, plus the many volunteers who work tirelessly so that our tournaments can be successful as they are. We couldn't do it without you.

Last, but certainly not least, a tremendous thank you to our corporate partners. These partnerships help to enhance our events providing an elevated experience for our competitors. Thank you for your generous support of our association. For a complete listing of our event partners, please see our Marketing & Sponsorship Report on the previous page.

Here's to 2023 and another successful year of competitions.

## REPORT OF THE TREASURER

Kathy Turner

Each year Golf Manitoba strikes an operating budget using best estimates for the delivery of its programs and services within projected funding and revenue limits. The Executive Director, along with the Golf Manitoba team and with oversight from the Board of Directors manages the operations guided by the budget adopted.

### Excess of Revenue over Expenses

For fiscal year ended March 31, 2022, the Board of Directors had budgeted for an excess of Revenue over Expenses of \$16,249.

The accompanying audited financial statements of Golf Manitoba Inc. for the year ended March 31, 2022 report an excess of Revenue over Expenses of \$134,729. Without the measures discussed below this excess would have been \$33,106, as compared to the previous year ended March 31, 2021 where there was an excess of \$199,947.

The Board had undertaken the following actions:

- Golf Manitoba applied for the Federal Sport Emergency Funding in 2020/21 to which some of the income was recognized in 2021/22;
- Golf Manitoba had applied for the Canadian Emergency Wage Subsidy (CEWS) program for 2020/21 and this program was continued for 2021/22; and,
- Golf Manitoba had applied for a Canada Emergency Business Account loan of \$40,000 in 2020/21. An additional \$20,000 was available which Golf Manitoba applied for in 2021/22. Repayment of this loan will be made in December 2022 to which \$20,000 is forgiven.

As a result the excess of Revenue over Expenses was largely due to the following contributing factors:

Description	Amount
Canadian Emergency Wage Subsidy	<b>\$46,371</b>
Canada Rent Subsidy	<b>\$3,459</b>
Golf Canada Foundation Contributions	<b>\$17,283</b>
Golf Canada First Tee Transition Grant	<b>\$7,000</b>
Federal Sport Emergency Funding	<b>\$19,510</b>
Manitoba Bridge Grant	<b>\$5,000</b>
Forgivable portion of the CEBA loan	<b>\$10,000</b>
Manitoba Student Employment Grant	<b>\$3,478</b>

### Revenues - Issues of Note

Revenues from operations for the year (excluding the subsidies and grants discussed above) were \$200,213 more than in the prior year. The largest differences were in the following areas:

Description	2022	2021
Tournament Entrance Fees	<b>\$124,645</b>	\$105,831
Sponsorship	<b>\$143,873</b>	\$52,316
Camp & Clinic Fees	<b>\$26,248</b>	\$933
Membership Dues	<b>\$166,122</b>	\$140,636

- Larger contribution from the Colonello Foundation along with carryover from 2020-21.
- Added three new corporate and event partners.
- The Women's Amateur & Men's Mid-Amateur was sold out including a qualifier.
- Nine new facilities joined.
- Junior development teams resumed training which generated the increase in Camp Fees. This also includes income for entry to the Team Manitoba spring training camp held in Victoria, BC.

#### Expenses - Issues of Note

Overall expenses from operations for the year were also up \$194,027 more than in the previous fiscal year.

Description	2022	2021
Wages & benefits	<b>\$221,730</b>	\$193,442
Clinics & camps	<b>\$119,043</b>	\$74,595
National competitions	<b>\$38,313</b>	\$3,893
Clinics & camps	<b>\$119,043</b>	\$74,595
Team travel	<b>\$38,313</b>	\$3,893

- Wages were re-allocated to different categories as most programs resumed operations.
- Tournament expenses increased with all events running at larger than budgeted attendance. A qualifier was also held that was previously not budgeted for.
- We resumed mobile clinics in 2021. Junior development teams resumed training that also included a spring training camp in Victoria, BC.
- Although interprovincial team competitions were not held in 2021, Golf Manitoba provided travel support to those players that qualified for nationals in team positions i.e. top 3 for each major championship. Junior players received collectively \$15,000 in travel support from the Colonello Foundation.

As was in 2020/21, the defining characteristic of the 2021/22 fiscal year for Golf Manitoba was the ongoing uncertainty surrounding the operations of the organization. Financial accountability remains a priority for Golf Manitoba, and despite the challenges we faced in 2021/22, I am encouraged with the operating results outlined in our enclosed Financial Statements. I would like to commend my fellow board members and the entire team at Golf Manitoba for their diligent efforts in helping to navigate the association to another successful year.

Kathy Turner  
Treasurer

## GOLF MANITOBA SCHOLARSHIP FUND

The Golf Manitoba Scholarship Fund's mandate is to provide scholarships to student golfers for the advancement of their education at a Canadian post-secondary educational institution through the receipt, investment, accumulation, and disbursement of funds for that purpose. Scholarships are awarded to golfers who submit applications which meet established criteria for academic achievement, community involvement and golfing ability. Since 1986, the Scholarship Fund has awarded over 200 scholarships, totaling more than \$230,000 to student golfers throughout Manitoba and Northwestern Ontario.

In 2022, the Scholarship Fund continued its plan of transitioning the fixed assets of the original trust fund from commercial financial institutions to The Winnipeg Foundation. The completion of transition of assets is expected to occur in late 2022. The Scholarship Fund has already benefited significantly from this process in the form of matching funds and increasing yield on the financial assets held with The Winnipeg Foundation. This has allowed for an increased number and value of scholarships being able to be awarded -- in 2022, 11 scholarships totaling \$16,500 was available for disbursement.

The Scholarship Fund has a number of scholarships named in honour of individuals that have specific criteria. In addition, there are several Golf Manitoba general awards available:

- The Dr. Dwight Parkinson scholarship is awarded to the secondary school graduate with the highest academic achievement who will be pursuing a post-secondary education. The scholarship was established on a perpetual basis from a generous donation received from Mr. David Hill.
- The Brian Gilhuly Memorial Award is presented to a candidate demonstrating superior scholastic achievement who is continuing their academic career. This scholarship was funded on a perpetual basis due to a generous endowment from Brian Gilhuly's estate.
- The Craig Yahiro Memorial Scholarship is two awards, one to a woman and one to a man, who are entering or continuing with post-secondary studies and who are either Golf Manitoba members or who are currently involved with golf either through employment or participation. This scholarship is funded through the generosity of the Yahiro Family and an annual fundraising event held at Rossmere Country Club.

Congratulation to this year's award recipients!

DR. DWIGHT PARKINSON AWARD (\$2,000) - **Riley Dudych**,  
Glendale Golf & Country Club

BRIAN GILHULY AWARD (\$2,000) - **Jacob Armstrong**, St. Boniface Golf Club

CRAIG YAHIRO MEMORIAL SCHOLARSHIP AWARD (\$1,000 to each):

- **Ryden Hargreaves**, employed at Wheat City Golf Course
- **McKyla Poponick**, employed at Selkirk Golf & Country Club

GOLF MANITOBA SCHOLARSHIP AWARDS (\$1,500 each):

- **Jack Carswell**, St. Charles Country Club
- **Dana Dubnicoff**, Elmhurst Golf & Country Club
- **Mackenzie Forsythe**, Elmhurst Golf & Country Club
- **Stefan Lavalley**, Niakwa Country Club
- **Eric Strick**, Rossmere Country Club
- **Samuel Sullivan**, Carman Golf & Curling Club
- **Brett Tustin**, Rossmere Country Club

The board is pleased to announce the appointment of Joan Todd as president of the Scholarship Fund. Joan is recently retired from a career in dental hygiene and has been volunteering in her community for many years. She is also an active member at the St. Charles Country Club and is looking forward to joining the volunteer family at Golf Manitoba. Welcome, Joan!

The Golf Manitoba Scholarship Fund is managed by a board of directors drawn from the golf community, with administrative assistance provided by Golf Manitoba. Information on the Scholarship Fund can be obtained from the Golf Manitoba website at [golymb.ca/scholarship](http://golymb.ca/scholarship).

Respectfully submitted,  
The Board of Directors

## MANITOBA GOLF HALL OF FAME

On May 10, 2022, the Manitoba Golf Hall of Fame was finally able to hold its Induction Ceremony for the Class of 2020:

- Brian Gilhuly
- Tom Kinsman
- Rhonda Orr
- 1967 Manitoba Junior Men's Interprovincial Team Champions (Steve Bannatyne, Manfred Broavac, Dave Hill, Ken Redfern and non-playing captain Dr. Dwight Parkinson)

The presenting sponsor for the Ceremony was once again the Alex and Peggy Colonello Foundation. We are very grateful for the Foundation's outstanding commitment to golf in Manitoba, including the Manitoba Golf Hall of Fame. The Induction Ceremony was held at St. Charles Country Club. This is the first one that has been held since 2019 due to the pandemic.

In November, the newest inductees will be announced with the Induction Ceremony planned for Spring, 2023 at Niakwa Country Club as we recognize its centenary.

The Manitoba Golf Hall of Fame is a partnership amongst Golf Manitoba, the Manitoba Golf Superintendents Association and the PGA of Manitoba. We wish to thank these partners for the ongoing leadership and support they provide.

Our website: [manitobagolfhalloffame.com](http://manitobagolfhalloffame.com) continues to be updated to add historical information about golf in Manitoba including

biographies of all Honoured Members.

We also continue to research the history of Manitoba golf to ensure that all worthy individuals and teams are considered for inclusion in the Manitoba Golf Hall of Fame.

If you feel that individual or a team should be considered for the Manitoba Golf Hall of Fame, you are encouraged to submit a nomination which is available on the website. In 2021, the nomination form was digitized to make it even easier to submit a nomination.

The Hall of Fame continues to promote the benefits of golf clubs preserving and documenting their own histories and is happy to assist those clubs in their efforts.

If you have an event where you would like a display of Manitoba golf history, please let us know and we will do our best to accommodate your request.

We also express our thanks to Golf Manitoba and its staff for continuing to provide administrative support to the Manitoba Golf Hall of Fame.

Sadly, in May, 2022, Mark Jordan passed away. Mark was the longtime Chair of the Selection Committee as well as a Board Member. He was an incredible volunteer who made an indelible contribution to the success of the Manitoba Golf Hall of Fame. We miss our friend and colleague and express our deepest sympathy to Mark's wife, Trish, his son, Patrick, the rest of Mark's family and all of his many friends.

Don MacDonald  
President, Golf Manitoba Hall of Fame & Museum Inc.

## VOLUNTEER DISTINGUISHED SERVICE AWARD

MICHELLE LEE

Michelle Lee is the fifteenth recipient of the volunteer Distinguished Service Award.

Michelle's volunteerism with golf first began serving as a district representative with the Manitoba Ladies' Golf Association. In this role, Michelle would visit and advocate for the MLGA with member clubs inside the district. She also ran the district "Bronze Tournament" where she met numerous women golfers from around the city. Michelle remained a volunteer of the MLGA until the amalgamation with the Manitoba Golf Association in 2003.

In 2004, Michelle joined the Board of Golf Manitoba where she completed a full 10-year term. During that time, Michelle was very active taking on numerous volunteer roles including the following:

- 2005 – Present: Starter/Scorer/Pace of Play Official
- 2006 – 2010: Marketing Committee
- 2007 – Chair of Membership Committee
- 2007 – 2008: Volunteer Committee
- 2009 – Chair of the Volunteer committee
- 2010 – Chair of Tournament Committee / Co-chair Medical at CN Canadian Women's Open
- 2013 – Chair Volunteer Committee / Nominating Committee member
- 2013 – Present: Tournament Committee

Of special note in 2007/2008, Michelle assisted Volunteer Committee Chair Bonnie Stephenson in establishing the inaugural Golf Manitoba volunteer Distinguished Service Award.

In addition to her volunteerism with Golf Manitoba, Michelle also volunteered at St. Charles Country Club, her home course. She joined the Board of St. Charles where she completed three full terms holding the following appointments:

- Chair of Play & Rules
- Honorary Secretary
- Communications Chair
- Membership Committee member
- LRP Committee
- Member of the Ladies Invitational committee (Rossbrook House)
- Member of the Ladies Mackenzie Gathering committee
- Michelle continues to sit as a member of the St. Charles Ladies Executive serving as the Communications Chair.

"On behalf of the Board of Directors and our entire Golf Manitoba volunteer family, it is my great pleasure and honour to recognize Michelle Lee of the St. Charles Country Club as the 2021 Distinguished Service Award recipient," said Wayne McWhirter, President of Golf Manitoba. "Michelle's leadership and contributions to the sport of amateur golf during her many years of service are admirable and very worthy of this award. Thank you, Michelle, for all that you have given."

Golf Manitoba is very pleased to honour Michelle Lee as the volunteer Distinguished Service Award recipient for 2021.

“

I feel that I have gained more than I have given as a volunteer to Golf Manitoba. It is humbling and amazing to be part of a group of distinguished service recipients who have mentored me in the past and who have trained me, and they have inspired me to continue on as a Golf Manitoba volunteer. My deepest gratitude for the nomination and I am humbled and honored to receive this award.

- Michelle Lee

## 2021 MALE & FEMALE AMATEUR GOLFERS OF THE YEAR

---

### BOBBI UHL & BRAXTON KUNTZ

On behalf of selection committee members Clayton Dreger, Jill Hardy, Adam Speirs and Ken Wiebe, Golf Manitoba is pleased to announce the 2021 Female and Male Amateur Golfer of the Year Award winners.

Bobbi Uhl of Shilo Country Club is the Female Amateur Golfer of the Year.

Uhl had a flawless 2021 provincial competitive season. She started with a win at the Women's City & District Championship, her first ever title in the event and carried that momentum going on to capture the Diamond Athletic Women's Amateur Championship. It was the first provincial women's amateur title for Uhl and her second straight tournament victory. With the amateur win, Uhl has now won every single Golf Manitoba major women's event including the Junior Girls, City & District, Match Play and Amateur championships.

Having won this award in 2020, the 21 year old follows in the footsteps of 2018 and 2019

winner Rhonda Orr.

Uhl is currently in her senior year at Longwood University majoring in Athletic Training.

Braxton Kuntz of Breezy Bend Country Club is the Male Amateur Golfer of the Year.

Kuntz was a perfect 2-0 in provincial competition in 2021. He led wire-to-wire at the Junior Boys Championship shooting a three-day total of 219, good for a three-shot victory. The 18 year old carried the momentum from his first junior boys title into the Nott Autocorp Amateur Championship where he posted an impressive 16-under par total winning his first men's amateur title.

With the win, Kuntz set a new Men's Amateur scoring record in relation to par and becomes only the fourth golfer in Manitoba golf history to win both the junior boys and the men's amateur championships in the same year joining Todd Fanning, Rob McMillan and Mike Keast, who also accomplished the feat.

Kuntz is currently in his first year at Nicholls State University majoring in Finance.

Of note, due to the ongoing challenges from the COVID-19 pandemic, the 2021 Golf Manitoba Awards event was held virtually

on November 18, 2021. Over 750 people have viewed the recorded event that was uploaded to the official Golf Manitoba YouTube page.

**About the Golf Manitoba Amateur Golfer of the Year Award** – The Manitoba Amateur Golfer of the Year award recognizes outstanding performance by Manitoba golfers in all levels of competition with the first award presented in 1975. In 2015, the award was re-established to include both a female and male category.

## MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

---

The financial statements of Golf Manitoba Inc. have been prepared in accordance with Canadian accounting standards for not-for-profit organizations. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances. These statements include certain amounts based on management's estimates and judgments. Management has determined such amounts based on a reasonable basis in order to ensure that the financial statements are presented fairly in all material respects.

The integrity and reliability of Golf Manitoba's Inc.'s reporting systems are achieved through the use of formal policies and procedures, the careful selection of employees and an appropriate division of responsibilities. These systems are designed to provide reasonable assurance that the financial information is reliable and accurate.

The Board of Directors is responsible for ensuring that management fulfills its responsibility for financial reporting and is ultimately responsible for reviewing and approving the financial statements. The Board carries out this responsibility principally through its Finance Committee. The Finance Committee is appointed by the Board and meets periodically with management and the auditors to review significant accounting, reporting and internal control matters. Following its review of the financial statements and discussions with the auditors, the Finance Committee reports to the Board of Directors prior to its approval of the financial statements. The Committee also considers, for review and approval by the Board, the engagement or re-appointment of the external auditors.

The financial statements have been audited on behalf of the members by Exchange Chartered Professional Accountants LLP, in accordance with Canadian generally accepted auditing standards.

## INDEPENDENT AUDITORS' REPORT

---

To the Members of Golf Manitoba Inc.

### *Opinion*

We have audited the financial statements of Golf Manitoba Inc. (the organization), which comprise the statement of financial position as at March 31, 2022, and the statements of operations, changes in net assets and cash flow for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the organization as at March 31, 2022, and the results of its operations and cash flow for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO).

### *Basis for Opinion*

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the organization in accordance with ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### *Responsibilities of Management and Those Charged with Governance for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with ASNPO, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the organization's financial reporting process.

### *Auditors' Responsibilities for the Audit of the Financial Statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

(continues)

Independent Auditors' Report to the Members of Golf Manitoba Inc. *(continued)*

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

1. DESCRIPTION OF ORGANIZATION

Golf Manitoba Inc. (the “organization”) is a non-profit organization established to develop, promote, govern and service the game of golf in Manitoba and North West Ontario for the benefit of all participants.

The organization is exempt from taxation as a non-profit entity under Section 149(1) of the Income Tax Act.

---

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations. Because a precise determination of many assets and liabilities is dependent upon future events, the preparation of financial statements for a period necessarily involves the use of estimates which have been made using careful judgement. The financial statements have, in management's opinion, been properly prepared within the reasonable limits of materiality and within the framework of the significant accounting policies summarized below:

Financial instruments

Financial instruments are recorded at fair value when acquired or issued. In subsequent periods, financial assets with actively traded markets are reported at fair value, with any unrealized gains and losses reported in income. All other financial instruments are reported at amortized cost, and tested for impairment at each reporting date. Transaction costs on the acquisition, sale, or issue of financial instruments are expensed when incurred.

Investments

Investments, which consist of guaranteed investment certificates with original maturities at date of purchase beyond three months, are carried at amortized cost.

Inventory

Inventory is recorded at cost and consists of rule books, pins, scorecards and clothing.

Capital assets

Capital assets are stated at cost or deemed cost less accumulated amortization. Capital assets are amortized over their estimated useful lives on a straight-line basis at the following rates:

Computer software	4 years
Office equipment	3 to 4 years
Tournament equipment	10 years
Office furniture	3 to 5 years

The organization regularly reviews its capital assets to eliminate obsolete items.

Capital assets acquired during the year but not placed into use are not amortized until they are placed into use.

The Golf Studio capital asset addition shown in Note 4 was not in use by March 31, 2022, therefore no amortization expense was recorded in the year ended March 31, 2022.

**Notes to Financial Statements**  
**Year Ended March 31, 2022**

---

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*continued*)

Deferred capital contributions

Deferred capital contributions represent contributions received which are restricted for the purchase of capital assets. The deferred amounts are recognized into revenue at the same rate of amortization as the related acquired capital assets.

Revenue recognition

The organization follows the deferral method of accounting for contributions. Externally restricted contributions are recognized as revenue in the year in which the related expenses are recognized. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Donated services

A large number of volunteers donate significant amounts of their time to program events and fundraising activities. No amount has been reflected in the financial statements for donated services since an objective basis is not available to measure the value of such services.

Allocation of salaries and wages and office expenses

The organization allocates salary and wage, and office expenses to three functional areas: administration, program management and tournament. The percentages are based upon estimates of staff time and resources spent for each area. These percentages are reviewed every year to determine whether there has been any significant shift which might warrant a change to the allocations.

Salaries and wages have been allocated as follows:

	<u>2022</u>	<u>2021</u>
To administrative expenses	46%	45%
To program management expenses	23%	20%
To tournament expenses	31%	35%

Office expenses have been allocated as follows:

To administrative expenses	32%	45%
To program management expenses	31%	20%
To tournament expenses	37%	35%

---

3. FINANCIAL INSTRUMENTS

The organization is exposed to various risks through its financial instruments and has a comprehensive risk management framework to monitor, evaluate and manage these risks. The following analysis provides information about the organization's risk exposure and concentration as of March 31, 2022.

Credit risk

Credit risk arises from the potential that a counter party will fail to perform its obligations. The organization is exposed to credit risk from funders, members and users. Due to the nature of the organization and its history with contributors, management assesses the credit risk as low.

4. CAPITAL ASSETS

	2022		2021	
	Cost	Accumulated amortization	Cost	Accumulated amortization
Computer software	\$ 1,350	\$ 1,350	\$ 1,350	\$ 1,350

Net book value	<b>\$ 92,226</b>		<b>\$ 7,689</b>	

5. LINE OF CREDIT

The organization has a \$10,000 line of credit with the Assiniboine Credit Union bearing interest at prime plus 1% and is secured by a general security agreement providing a fixed charge over all assets. The organization has not utilized the line of credit as at March 31, 2022.

6. DEFERRED CAPITAL CONTRIBUTIONS

Deferred capital contributions represent grants received from Sport Manitoba that have been deferred for the purchase of capital assets. The deferred capital contributions will be recognized into revenue over the life of the capital assets, once these capital assets are in use.

7. INTERNALLY RESTRICTED

Net assets in the amount of \$100,000 had been internally restricted by the Board of Directors for future capital acquisitions.

The \$100,000 for future capital acquisitions remains in the fund at March 31, 2022.

Future appropriations will be made, of funds considered surplus to ongoing operations, on an annual basis upon approval by the Board of Directors.

Assets have not been specifically designated and set aside for the purposes of funding this internal restriction of net assets.

**Notes to Financial Statements**  
**Year Ended March 31, 2022**

8. NON-CONSOLIDATION OF CONTROLLED ENTITY

At November 30, 2021, the organization is the sole member of the Manitoba Golf Scholarship Fund Inc. (the "Fund"). The purpose of the Fund is to provide financial assistance to young golfers for the purpose of enabling them to further their education at a Canadian post-secondary educational institution. The Fund is incorporated under the Corporations Act of Manitoba and is a registered charity under the Income Tax Act. The Fund has not been consolidated in the organization's financial statements. The financial summary of the Fund as at November 30, 2021 and for the year then ended is as follows:

During the year ended November 30, 2021, the Manitoba Golf Scholarship Fund Inc. made a \$37,664 (2020 - \$35,324) contribution to the Winnipeg Foundation Endowment Fund. At March 31, 2022, the market value of the contributions made to the Winnipeg Foundation was \$363,121. Any future income earned from this endowment fund will be recorded as revenue by the Manitoba Golf Scholarship Fund Inc. in the year that it occurs.

9. SIGNIFICANT INFLUENCE

The organization exercises significant influence over the Manitoba Golf Hall of Fame and Museum Inc. (the "Hall of Fame") by virtue of its ability to appoint 4 of the 13 Hall of Fame's Board of Directors. The Hall of Fame was established to raise funds to acknowledge the contributions and accomplishments of Manitobans to the game of golf. The Hall of Fame is incorporated as a corporation without share capital under the laws of Manitoba and is a registered charity under the Income Tax Act. Net assets of the Hall of Fame amount to \$8,139 at November 30, 2021 (2020 - \$6,942).

**10. COLONELLO FOUNDATION**

Beginning in the 2020 fiscal year, Golf Manitoba received new sponsorship from the Colonello Foundation. The Colonello Foundation has pledged funding to Golf Manitoba in support of developing new generations of golfers through grassroots golf initiatives and high-performance programming.

This sponsorship has also led to increases in Golf Manitoba's Teams and Public Relations & Sponsorship, and Tournament expenses as the funding from the Colonello Foundation has been used to fund golf programs throughout the province and assist junior teams with their expenses.

Golf Manitoba expects to continue their relationship with the Colonello Foundation for the foreseeable future.

**11. RELATED PARTY TRANSACTIONS**

Included in the organization's program management expenses are operating grants of \$1,000 (2021 - \$NIL) to the Manitoba Golf Hall of Fame and Museum Inc. which is related as described in Note 9.

---

**12. NON-MONETARY TRANSACTIONS**

The organization has an agreement with Nott Autocorp which allows them to use a vehicle for 5 months from Nott Autocorp. The financial statements include the full market cost for the use of the vehicle and the difference is recorded as sponsorship revenue.

The organization has a sponsorship agreement with TaylorMade which provided the organization with golf balls, hats and golf bags. The financial statements include the fair market value of the products received and the fair market value of the cost for products given out to players.

The organization has a sponsorship agreement with Adidas Canada Limited which provided the organization with golf apparel. The financial statements include the full fair market value of the products received.

---

**13. PENSION PLAN**

The organization maintains a defined contribution pension plan for most of its employees. All contributions are fully funded on a monthly basis and are included in wages and benefits expense. During the year \$8,519 (2021 - \$8,243) was recorded as an expense in relation to this pension plan.

**14. CANADA EMERGENCY BUSINESS ACCOUNT LOAN**

The Canada Emergency Business Account (CEBA) provides interest-free loans of up to \$60,000 to small businesses to help cover their operating costs during a period where their revenues have been temporarily reduced. This program has been implemented by banks and credit unions in collaboration with Export Development Canada.

Repaying the balance of the loan on or before December 31, 2022, could result in loan forgiveness of 25 percent (up to \$20,000).

Management has determined that they have appropriately spent funds in accordance with the program requirements and that the organization will repay the loan before the due date. Therefore, \$10,000 has been recognized in the current year (2021 - \$10,000), and is included in other income.

**15. CONTINGENT LIABILITY**

Management applied for and received funding under the Canada Emergency Wage Subsidy (CEWS) program. This program of the Federal Government is intended to cover up to 75% of employee salaries for organizations who meet specific criteria related to decreased revenue due to the COVID-19 pandemic.

During the year ended March 31, 2022, the organization received \$46,371 (2021 - \$140,655) in funding related to the CEWS program.

Given the changing program criteria, and the lack of clarity regarding other aspects of the CEWS program funding, there is a potential that the organization may be required to pay back some or all of the funding received with a further potential for interest and penalties on amounts owing. The Federal Government has announced their intention to perform a significant number of audits in relation to this funding. Management has made their best efforts to apply only for funding that they believe match the criteria of the program, and to only apply for amounts related to applicable salaries.

---

**16. SUBSEQUENT EVENTS**

Reactions and restrictions to Coronavirus (COVID-19) continue to evolve and change regularly. Management of the organization continues to maintain operations where possible, while looking out for the needs and safety of their clients and employees.

Operations in the historical financial statements, as presented, do not give rise to potential going-concern issues. However, given the uncertainties on the economy, management cannot predict the effect that this will have on their future operations or cash flows.
