

GOLF MANITOBA COACH SCREENING POLICY

"Organization" refers to: Golf Manitoba

Purpose

The Organization understands that screening coaches is a vital part of providing a safe sporting environment. The Organization is responsible to do everything reasonable to provide a safe and secure environment for participants in its programs, activities, and events. The purpose of screening is to identify individuals involved with an Organization's activities who may pose a risk to the Organization and its participants. Coaches are valued and respected by the Organization and are viewed as a key component of the sport delivery system. It is important for coaches to be clear on their role and responsibilities and how these relate to the mission of the Organization.

Definition of Coach

A coach is any person who guides athletes to train and compete in sport. They are in a position of power and trust with their athletes regardless of the age of the athlete and the age of the coach. A list of Coach roles and their levels of risk is provided in **Appendix B**.

Definition of an Athlete

Any child, youth or adult who participates or trains in a sport with the guidance of a coach.

Levels of Risk:

High Risk - Coaches who have direct access to athletes (of any age) without parental supervision.

Medium Risk - Coaches who are under the supervision of other coaches and there is no opportunity to be alone with an athlete.

Low Risk - Coaches who are under full-time parent supervision (e.g., community-based coaches). There is no travel involved and no opportunity to be alone with an athlete.

Background Checks

Coaches are required to obtain any of the following types of Background Checks:

- Criminal Record Check (CRC)
- Police Information Check (PIC)
- Enhanced Police Information Check (E-PIC)

Generally, a Criminal Record Check and Police Information Check (CRC-PIC) may be obtained from local RCMP detachments and/or local police services and are free for volunteers. However, obtaining the results of the CRC-PIC may take as long as two weeks.

Instead of obtaining a CRC-PIC, the Organization recommends that coaches obtain an Enhanced Police Information Check (E-PIC) from Sterling Backcheck. There is a \$25 fee for obtaining the E-PIC but the results of the E-PIC are returned within 48 hours.

Finally, coaches who have obtained a CRC-PIC or E-PIC, within the last five years are not required to obtain the results of these checks again. Instead, the coach can provide a letter from their employer or sport organization verifying that the checks have been completed. The letter must include the coach's name, birth date, the date the checks were completed, and a signature from a representative of the organization or employer. In addition to the letter, the coach must submit a Screening Disclosure Form (**Appendix A**).

Child Abuse Registry

Coaches are required to obtain a Child Abuse Registry Check (CARC). The Child Abuse Registry is designed to identify and register known child abusers. Individuals on this registry have been found guilty of an offense involving the abuse of a children and/or the Child Abuse Committee has determined the individual has abused a child.

The Organization has its own "CARC Forms" that coaches must use to submit a Child Abuse Registry Check free of charge. Alternate forms will not be accepted (unless at the discretion of the Organization). Results of a CARC may take up to six weeks.

PGA of Canada - ISB One Badge Certificate

The Organization recognizes that all active PGA of Canada members have completed the following safe sport screening requirements.

- Every three (3) years, a police record check with ISB Global Services
- Safe Sport Training through the Coaching Association of Canada (CAC)
- Respect in Sport for Activity Leaders through the Respect Group

A coach's **ISB One Badge Certificate** must be presented to show the completion of any of the matching Screening Requirements.

Coach Screening Policy Minimum Requirements

Screening Coaches is a vital part of providing a safe sporting environment. Organizations are responsible, by law, to do everything reasonable to provide a safe and secure environment for Participants in its programs, activities, and Events.

The purpose of screening is to identify individuals involved with an Organization's activities who may pose a risk to the Organization and its Participants.

Organization's Coach screening policy requirements:

1. Identify levels of risk

To fully understand what the risk is for the Athletes and Coaches, assess the level of access Coaches will have to their Athletes.

- **High Risk** - Coaches who have direct access to Athletes (of any age) without parental supervision (e.g. all Manitoba and Canada Games Coaches).
- **Medium Risk** - Coaches who are under the supervision of other Coaches and there is no opportunity to be alone with an Athlete (e.g. junior Coaches who do not travel with the team).
- **Low Risk** - Coaches who are under full-time parent/guardian supervision (e.g. community based Coaches). There is no travel involved and no opportunity to be alone with an Athlete.

2. **Assign minimum screening requirements based on risk and role of the Coach** The minimum requirements are outlined in the table below and typically consist of Respect in Sport (RIS) for Activity Leaders, along with a Background Check of some kind. In addition, Coaches are expected to adhere to the Rule of Two. If an Organization wishes to go above and beyond these requirements, such as requiring Vulnerable Sector Checks or Child Abuse Registry Checks, that is at their discretion.

Minimum requirements for screening & training based on level of risk

Coach Role	Level of Risk	Screening Requirements	Frequency of Requirements
6-week community coach	Low	Respect in Sport Screening Disclosure Form	RIS - <i>Every five years</i> Screening Disclosure form annually

3. **Process for *Background Check* alert**

In the event that a Background Check returns an alert for a Coach, it is the responsibility of each Organization to establish a formal process for reviewing and addressing such cases.

4. **Establish process for screening *Coaches* under 18**

Background Checks for *Coaches* under the age of 18 may not yield the same level of information as those conducted for adults. *Organizations* must establish clear procedures for screening minors, which may include alternative methods, such as reference checks or other appropriate vetting practices.

5. **Board Approval & Review:** *Coach* screening policies must be approved by the *Organization's* d every three (3) years.

Rejection and Appeal

The Organization reserves the right to reject the participation of any coach whose screening results reveal previous criminal activity. However, the coach's rejection may be appealed to the Organization's Appeal Committee (which consists of a PSO representative, member of the Organization Board of Directors, and past or present Organization staff member). When determining whether to accept or deny the appeal, the Committee will consider the relevance of the infraction, efforts at rehabilitation, and the date of the infraction.

Appeals should be submitted to Organization staff. Staff or the Appeal Committee may request more information from the Appellant coach. The results of the appeal will be provided to the Appellant within one month of the appeal.

If a coach's CARC reveals an incident, the coach will not be permitted to participate in the role in any circumstance. This is not appealable.

Other Considerations

Valid Driver's License - Any coach entrusted to drive a vehicle provided by the Organization (including but not limited to rented vehicles or own vehicles), is required to have a valid Driver's License. All Drivers will need the appropriate class of license to drive the type of vehicles used.

Delays – The Organization recognizes that there may be delays in obtaining the results of a background check. Generally, the coach will not be permitted to participate in the role during the delay unless the results of the check have been completed. However, if there is a delay in obtaining the results, the Organization may approve the coach's participation if the coach can prove the process has begun, sits for an interview with the Organization and the coach has provided at least two-character references.

Coaches under 18 years of age- for anyone under the age of 18 who is considered a coach, they will not need a Criminal Background Check nor a Child Abuse Registry check. They will need reference checks, Respect in Sport, Rule of 2 training and are never to be left alone with an athlete.

Review and Approval:

This policy was approved by the Board of Directors and will be reviewed by the Executive Committee on an annual basis.
