A SUSPENSION FOR A DANGEROUS SITUATION WILL BE SIGNALLED BY ONE PROLONGED AIRHORN NOTE. All other types of suspension will be signaled by three consecutive airhorn notes. Resumption of play will be signaled by two short airhorn notes. In the event that play is suspended due to **weather** or other **danger**, players are instructed to **evacuate the golf course as follows:**

If play is suspended as signalled by Airhorn Notes, players are to immediately return to the clubhouse to seek shelter. Players in close proximity to the washroom shelter to the right of hole #6 red tee and right of hole #11 tee, may seek temporary shelter until a rules official or staff can pick them up in a golf cart to return to the clubhouse.
